

Looking to upgrade your packaging? We've got you covered!

Our packaging pouches make it easier than ever to have beautifully branded products on your budget. Plus, you'll save precious time and get perfect placement everytime with our machine-applied labels.

CRASH COURSE

So, here is your cheat sheet of **four things** you need to know to create custom packaging pouches for your business.

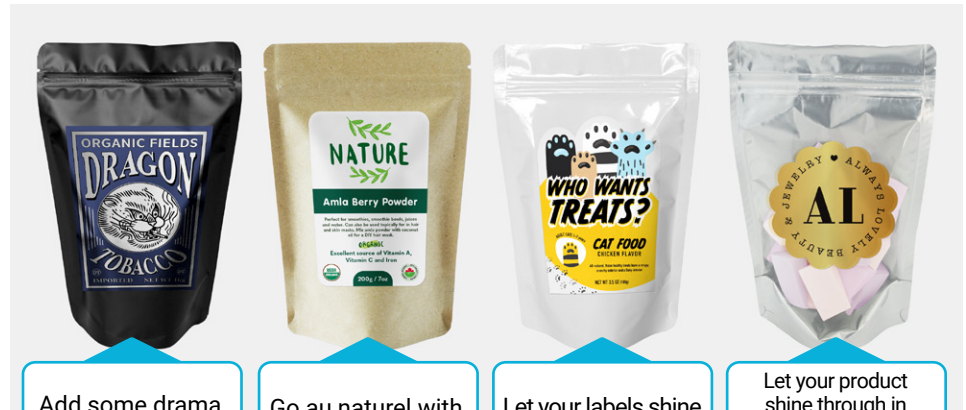

1. Packaging pouches come in 3 sizes

- 100% Food Safe
- Moisture, oxygen and odour barrier
- Min Order: 100, Max Order: 2,500

Need more? Our Product Expert team can set you up with orders of up to 10,000

2. And four finishes with labels in any colour, shape and size

Add some drama with **Matte Black**

Go au naturel with **Kraft Paper**

Let your labels shine on **Glossy White**

Let your product shine through in **Clear Pouches with Silver Back**

● with Silver Foil Die-cut label

● with White Laminated paper

● with White BOPP Glossy label

● with Gold Foil Die-cut label

3. To fit all your needs

Plus, Pet Food, Health & Beauty, Crafts, Employee Gifts, Special Promotions and more!

AND, THE BEST PART?

4. Machine applied labels

Machine applied labels give you the luxury of branded pouches, without the price tag of printed pouches or the headache of label application. Your labels are precisely placed every time and pouches are ready to use right out of the box.
