- Has 1-2 years experience in the print industry
- Has excellent written and verbal communication skills and active listening skills
- Able to lift 50lb material roll and stand for majority of shift
- Has a high proficiency in PC/Windows operating system
- Has work experience in a supervisory or management role (bonus)

- Has knowledge of any print Digital Front End software (bonus)
- eg. Roland VersaWorks, EFI Fiery, Xeikon X-800,etc

You are also...

- Process and detail-oriented
- Problem-solving
- Verbal and written communication
- Charismatic
- Self-motivated
- Inquisitive
- Time management
- Empathetic listening
- Team Player

What you'll be doing

- Brainstorm strategies to improve product quality, reduce production issues, decrease cost per page and increase employee morale
- Communicate openly with management about concerns regarding processes, equipment, software and/or employee issues and inventory needs
- Perform consistent and constant maintenance on the large format machinery
- Train other members of the Production Team when required
- Create and maintains the Training Manual for the Print Control station
- Maintain a continuous workflow on the Seiko and Mimaki printers
- Troubleshoot common issues independently
- Learn from expert technicians to reduce additional outsourced repair costs
- Know when to solve problems independently and when to involve others
- Encourage safe and productive work behaviour through example and communication
- Hold a strong understanding for workflows and process organization
- Plan and executes the large format print scheduling on a daily basis
- Assist with research and development initiatives where required
- Represent StickerYou Inc. when maintaining the relationships with industry vendors by offering solutions and negotiating terms
- Complete special projects when assigned or given by the Production Manager or Director of Production
- Alternative responsibilities may be added

Reasons to work at StickerYou:
