

Printed Patches

Application Instructions

SEW-ON APPLICATION

To get the best and long term result, we recommend to sew the patch on the materials listed below.

- Denim
- Leather, Suede
- Toques & scarves
- Fleece, Stretch fabric
- Terry knit (towel, bathrobe, etc), Rib knit
- Pique knit
- Treated fabrics (coatings, sizing, repellents)
- Nylon
- Synthetics Nylon-shell
- Interlinings
- Rubberized coating
- Reflective fabric (jacket, luggage)

Sew-On Best Practices

It is recommended to use similar color thread as the stitched border and sew close to the border.

Sew-On Care Instructions

- Wash the garment inside out.
- Wash in cold water - mild detergent.
- For best results, hang to dry.
- Do not dry clean.
- Do not bleach.
