

Window Decal & Vinyl Lettering

Application Instructions

- 1 CLEAN** the window or wall area where decal will be applied.

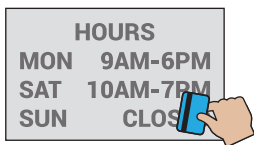

- 2 PEEL** your decal off the backing paper by pulling the transfer paper off at a corner. The decal should be attached to the transfer paper. Discard the backing paper.

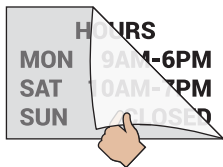

- 3 PLACE** the transfer paper with your decal onto your surface and press down when ready to apply. Be careful not to apply in the wrong position as it will be difficult to remove and re-apply to another position.

- 4 PRESS** down from the center outwards towards the edges of the transfer paper to smooth out any air bubbles. Use your hands, a credit card or squeegee.

- 5 REMOVE** the transfer paper by peeling it off starting from a corner. Your decal has been successfully applied to your window or wall surface.

Enjoy Your Decal!
